Lesson Policy 2024

- Lessons are \$96 a month for four 30 minute lessons which are scheduled for the same day and time each week.
- If there is a fifth day in the month (for example, 5 Tuesdays in the month) I take the fifth day off.
- If you are unable to make a lesson I will do my best to get you a makeup time, but makeups are not guaranteed, and I do not issue lesson credits.
- If a lesson day is on a major holiday then the monthly fee will be pro-rated.
- Should you decide to cancel lessons please extend the courtesy of two full weeks notice.
- Payments for lessons are by credit card. Invoices are issued through Quickbooks via email.
- Lessons are in the office area. Park in the lot and come in through the Fair Street door. Come straight in and there is a waiting room to the right.
